

AMERICAN COLLEGE PROGRAM

Université de Fribourg - Universität Freiburg

Optional Meal Plan

An optional meal plan is available to American College Program students. This is provided to ensure that students have a minimum of seven meals per week. Students participating on the meal plan receive vouchers every five weeks (excluding the break between semesters) which entitle them to basic meals at several local restaurants and supermarkets. As the cost of living in Switzerland is very high, students are encouraged to join the meal plan to give them some budget security. The meal plan is an optional offering and is not part of the program fee. Exact costs and payment procedures are available from the American College Program. Students with special dietary needs should note such requirements at the time of application.
