**Name variants** (if any)

**Keywords** (research interests)

**Websites** (e.g. Dept profile, ResearchGate, Mendeley, Google Scholar)

**Email**

**Other IDs** (e.g. Scopus Author ID, ResearcherID). These author identifiers will be automatically added after linking ORCID with the database system.

You can also add your **Education**, **invited positions**, **awards**, **membership** in a society or association, **fundings**, and **Service** to showcase your non-publication achievements:

**For Employments / Education** Consider giving the University of Fribourg as a present institution.
