

PLOVDIV UNIVERSITY “PAISII HILENDARSKI”, BULGARIA
UNIVERSITY OF FRIBOURG, SWITZERLAND
UNION OF SCIENTISTS IN BULGARIA – PLOVDIV

PROGRAM

International Conference

“Physics and Theology – Yesterday and Today”

The conference intends to share scientific experience and knowledge in view of discussing the role played by natural sciences and Physics in particular in the development of ideas and concepts in Theology and Philosophy.

20-22 June 2019, Plovdiv

Plovdiv University “Paisii Hilendarski”
Tsar Assen Str. 24, 4000 Plovdiv, Bulgaria

LOCAL ORGANIZING COMMITTEE

Chair

Assoc. Prof. Dr. Todorka L. Dimitrova

Members

Prof. Dr. Maria Schnitter

Assoc. Prof. Dr. Lyuba Panayotova

Chief Assist. Prof. Dr. Atanas Terzyiski

Chief Assist. Prof. Dr. Anelia Dakova

Senior Lecturer Nikolay Zhelyazkov

Valentin Velchev, Ph.D. Student

Nayden Yotov, Ph.D. Student

Delko Zlatanski, Ph.D. Student

Technical Secretary

Chief Assist. Prof. Dr. Hristina Petrova

PROGRAM COMMITTEE

Prof. Dr. Barbara Hallensleben

Prof. Dr. Guido Vergauwen

Prof. Dr. Ivan Dimitrov

Prof. Dr. Antoine Weis

Assoc. Prof. Dr. Todorka L. Dimitrova

Thursday, 20 June 2019
5th Auditorium “Todor Vasilev”

OPENING SESSION: *DOES GOD PLAY DICE?*

- 12.00-14.00 **Registration**
Conference Hall “Compass”
- 14.00-14.10 **Todorka L. Dimitrova**
Opening of the conference
- 14.10-14.30 **Welcome addresses**
- 14:30-15:15 **Guido Vergauwen**
*The concept of “Nature” and its importance for
Theology*
- 15:15-15:45 **Coffee break**
- 15:45-16:45 **Todorka L. Dimitrova and Antoine Weis**
(Lecture with demonstrations)
The wave-particle duality of light
- 16:45-17:30 **Barbara Hallensleben**
(Book presentation)
*New Chances and Challenges for Theology as a
Consequence of Research Results in Physics*
- 17:30-19.00 **Cocktail**
Coffee Bar F10

Friday, 21 June 2019
5th Auditorium “Todor Vasilev”

SESSION 1: *THE UNIVERSE AND ITS CONSTITUENTS*

- 9:00-9:30 **Venelin Kozhuharov**
A world of particles
- 9:30-10:15 **Antoine Weis**
Mysteries of the Universe
- 10:15-10:45 **Stoyan Tanev**
*A methodological approach to the encounter of
Theology with Physics*
- 10:45-11:15 **Coffee break**
- 11:15-12:00 **Arnold Benz**
Astrophysics and Theology of Creation
- 12:00-12:30 **Ralf Bergmann**
*On the Relation of Divine Intervention and
Laws of Nature*
- 12:30-13:30 **Ivan Dimitrov**
*Faith and Science – a Permanent Basic
Discussion*
- 13:30-14:00 **Lunch: Self-organized**

SESSION 2: *THEOLOGY TODAY*

- 14:00-14:30 **Valentin Kozhuharov**
Theology of the Mission of the Church in Light of Quantum Physics
- 14:30-14:50 **Maria Schnitter**
Transformation in the understanding of time after the introduction of Christianity as reflected in the ancient Bulgarian literary tradition
- 14:50-15:10 **Atanas Terziyski, Nikolay Kochev and Stoyan Tenev**
Dynamics of Science-Religion Interactions: practical, social and political implications
- 15:10-15:30 **Viktor Kostov**
Returning to the fundamentals: the fallacy of scientific eschatology
- 15:30-16:00 **Coffee break**
- 16:00-16:20 **Todor Veltchev**
Physics as vocation – now and in the past. A Christian perspective
- 16:20-17:00 **Velislav Altunov**
Theology and science fiction - a possible dialogue?
- 16:20-17:00 **Victor Makarov**
The God who plays hide and seek reflected in the ancient Bulgarian literary tradition
- 17:00-18:00 **General discussion**
led by Goran Blagoev (“Faith and Society”, Program of the Bulgarian National Television)
- 20:00 **Conference Dinner**
Restaurant [*Central Park*](#) (Tsar Simeon Garden)

Saturday, 22 June 2019
5th Auditorium “Todor Vasilev”

**SESSION 3: SCIENCE AND THEOLOGY – YESTERDAY
AND TODAY**

- 9:00-9:30 **Dieter Hattrup**
*In the 20th century, the former threat from
natural sciences turned out to be an
opportunity for theology*
- 9:30-10:00 **Ralf Bergmann**
*Christian faith in a Post-Christian Europe:
obstacles and opportunities*
- 10:00-10:45 **Henry F. Schaefer**
The life and faith of a scientist
- 10:45-11:00 **Coffee break**
- 11:00-11:20 **Vladimir Bozhilov**
*Photopolarimetric study of Blazar – type AGN
OJ287 -Results and Discussion*
- 11:20-12:00 **Nayden Yotov**
Humanity+
- 12:00-12:20 **Andrey Romanov**
*Faith as an intellectual, emotional and
spiritual endeavor*
- 12:20-12:40 **Yordan Epitropov, Yoan Epitropov**
On the evolutionary stages of knowledge
- 12.40-13.00 **Valentin Velchev**
*Is it possible to present a scientific
argumentation for the existence of God?*
- 13:00-14:00 **Lunch:** Self-organized

SESSION 4: SHORT COMMUNICATIONS

- 14:00-14:10 **Helmut Brückner**
Measuring time - potentials and limits of geological dating
- 14:10-14:20 **Oliver Cackov Yuliana Belcheva**
The transition of Blaise Pascal from the calculating machine to Jansenism
- 14:20-14:30 **Dimo Hristozov**
Spiritual value in human evolution through physics and theology achievements
- 14:30-14:40 **Kiril Kolikov**
The Spiritual Waves Doctrine in the Teachings of Wisdom
- 14:40-15:00 **Tzvetelin Angelov**
The theological idea in theological context in the philosophy of Immanuel Kant
- 15:00-15:30 **Coffee break**
- 15:30-18:00 **Round table discussion**
led by Barbara Hallensleben / Maria Schnitter
Science and Theology: What do we know, what have we learned?
- 18:00 **Closing remarks**

The conference is sponsored by the Bulgarian National Science Fund (BNSF), Project number КП-06-МНФ/18 in the frame of the Procedure for financial support of scientific conferences in the Republic of Bulgaria 2019.
